

Princess Shenette Zachary is the Queen of childcare and learning! She is the owner of Star Light Learning Academy located in Kennesaw Georgia. Princess started her entrepreneurial ventures in the late 80's and has had several successful businesses since then. She is not only the owner of Star Light Learning Academy, but also helps other day cares with their startups. She is also the owner of Day 2 Dream Kidz Corp, a 501c3.

Princess was born in Germany, and has a trip planned this year to visit. She loves seafood and enjoys traveling all around the world. One of her favorite places to visit is Disney World! Each time she travels she brings all sorts of goodies back for the children in her academy. She loves the adventure of visiting new places and being able to bring a piece back to share with the children. She knows that this can spark creativity and aspirations in children to dream big.

If you talk to Princess for more than 30 seconds, you can see and hear the elation and passion permeate from her that she feels for Star Light Learning Academy as well as the children, parents and teachers it impacts. She loves to see them smile and to be able to take part in the growth and development of children in the community. Being able to give back to people who need her services keeps her heart beating and gives her a reason to wake up every morning and continue pressing in.
